

# Bring your innovation to its destination

with creative analytical solutions that advance your path to commercialization

## Who We Are

Solvias accelerates commercialization for innovative companies with CMC analytical solutions, leveraging deep scientific expertise and **a strong focus on customer success**. Our experts excel in **biologics, cell and gene therapies, and small molecules**, offering comprehensive services from raw materials to final product testing. With **five strategically located global facilities** and certifications in GMP, GLP, and ISO, we conduct over 100 successful audits annually, **ensuring science and quality drive faster, safer product development**.

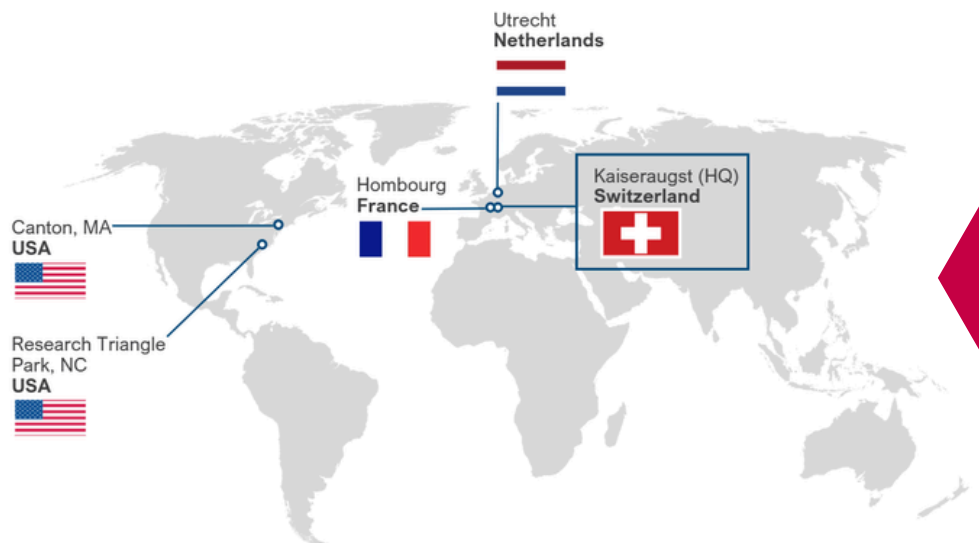

## Analytical Solutions that Span the Entire Product Lifecycle

	Research	Preclinical	Early-Phase Clinical	Late-Phase Clinical	Commercial
Analytical Characterization Services	█	█	█	█	█
Genetic QC	█	█	█	█	█
Solid State Development	█	█	█	█	█
Custom Solutions	█	█	█	█	█
cGMP Drug Substance & Drug Product Testing & Release		█	█	█	█
Impurities Testing		█	█	█	█
Biosafety Testing		█	█	█	█
Excipient & Raw Materials Testing & Release			█	█	█
Stability Studies			█	█	█
Analytical Method Development			█	█	█
Extractables & Leachables Testing			█	█	█

## Why partner with us?

- CRO
- Founded in 1999
- 800+ team members
- 175+ PhD-level scientists
- GMP, GLP, ISO9001 certified
- 23K m<sup>2</sup> of lab capacity
- 700+ customers worldwide
- 5 centers of excellence
