

Unparalleled Project Management

Intuitive, expert-led project partnerships

At Solvias, our Customer Project Management team is unmatched. Our dynamic and solution-oriented project leaders will ensure customer advocacy and direct guidance through every phase of your project.

We develop for a deep understanding of your specific needs. This leads to streamlining deliverables and efficiently managing your project. We are dedicated to our commitment of long-term customer satisfaction.

The loyalty of our customers is evidence of our exceptional service. We have decades long relationships with customers who have worked with us on multiple projects. This is a reflection of the strong, quality partnerships we forge with our clients.

Dedicated Single Point of Contact

offering you a personalized and seamless customer service experience throughout your entire project

Cross-Functional Excellence

ensures a profound understanding of your project, from sample management to quality assurance

Scientific Expertise

enables us understanding and navigate the technical and scientific aspects of your project

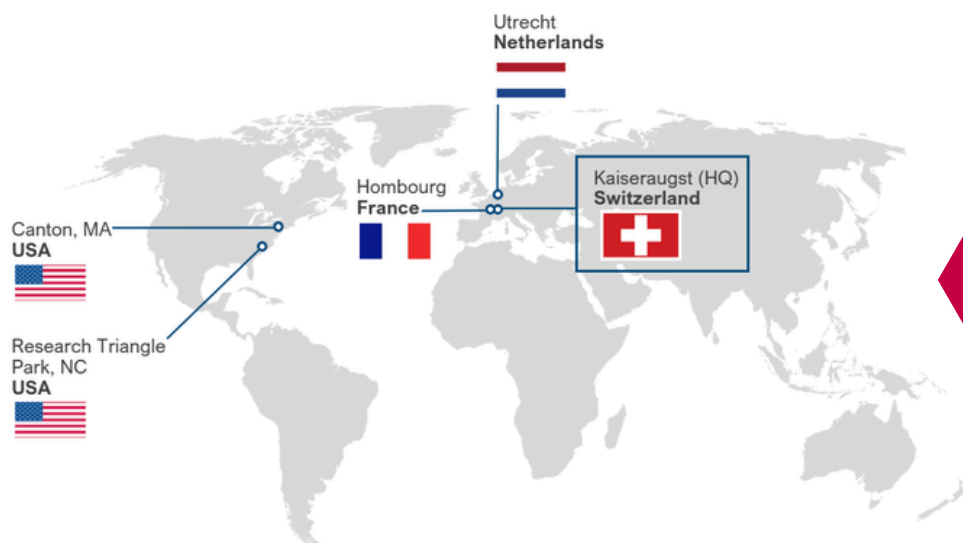

“

Project management is a differentiating factor to our competitors. ... We're building **true partnerships** with our customers across the whole life cycle of their project which leads to long-term relationships with our customers.

Andrea Fetz, Head of Project Management | Solvias AG
